Richard Kimmel, Joint Committee on Atomic Energy staff, called and asked if we would return to the Committee tempor the copy of the Director's prepared statement for 16 February 1972 which used by their shorthand reporter in preparing the stenographic transcript of	was
the hearing. I told Kimmel I would bring this by to him in the next day or	+3370

Talked with George Murphy, Joint Commi	ttee <sup>25X1</sup>
on Atomic Energy staff, about the question which Senator George D. Aiken	
(R., Vt.) had raised at the Committee briefing on the subject of fighter	
aircraft being provided Guatemala. I told Murphy we had discussed this	
with the Director who felt there was nothing further we could provide on	
the subject and suggested that Murphy might want to so inform Senator Aike	en.
Murphy said he would check the transcript of the hearing when it is complete	ted
